

# Briowireless AC-DC Power Adapter

## FEATURES & BENEFITS

- AC to 12VDC 1Amp 12W Switching Power Supply
- 1.2 m (4ft) long cable
- Input: AC 100-240V 50-60HZ
- Fully Certified: UL/cUL, FCC, CE
- Pre-tested for use on Briowireless products
- End terminations compatible with Briowireless products
- Low cost
- Crimp terminated wires included with MF4 model to connect sensors

## AC-DC Adapter for Briowireless products

**Briowireless AC-DC Power Adapters** are light, efficient, industry certified and pre-tested to deliver reliable power to Briowireless wireless IoT products.

Designed to work over a world wide input voltage range 100V-240VAC with a regulated 12VDC 1Amp output.

Select adapters model with cable termination according to Briowireless product to be powered.
